

Your **Contour[®]Next** brand meter will arrive at your front door!

Regular blood sugar testing can help you manage your diabetes and may lead to better glucose control.

Your pharmacy benefit plan offers a free blood glucose meter

On January 1, 2021, your pharmacy benefit plan coverage for blood glucose test strips and meters is changing. You will need a new meter if you switch to **ContourNext** test strips.

Good news – your plan offers a **ContourNext** meter at no cost. The manufacturer will send your free meter kit to you and no action is needed.

What to expect with your ContourNext meter

The **ContourNext** kit will arrive no later than December 20, 2020. Learn more about the meter and kit below. Call Ascensia Diabetes Care, makers of the **ContourNext** brand at **1-800-401-8440** if your kit does not arrive by December 20, 2020.
